APPROVAL AND MATERIALITY THRESHOLDS

Threshold	Threshold key	Amount
Controller review above	controller_review_above_usd	\$25,000.00
Mandatory review above	mandatory_review_above_usd	\$100,000.00
De minimis	de_minimis_threshold_usd	\$5,000.00

CAPITALIZATION

CAPITALIZATION THRESHOLD \$5,000.00	USEFUL LIFE 36 months
---	---------------------------------

Equipment purchases are capitalized when a single order of like items costs \$5,000 or more and the items have a useful life beyond one year. Capitalized equipment is depreciated straight-line over 36 months, starting when the asset is placed in service. Only units actually received are recorded as assets.

ACCRUAL POLICY

Rule ID	Rule
POL-01	Never auto-post a case that requires Controller review
POL-02	Never accrue when a matching AP invoice exists
POL-03	Require evidence of service receipt for receipt or usage-based spend
POL-04	Require an open accounting period
POL-05	Require a balanced journal entry
POL-06	Require an active contract or PO, or an approved fallback
POL-07	Capitalize equipment over the threshold and depreciate it over its life
POL-08	Record prepaid services as an asset and expense them over the term
